

## **PERSONAL PROTECTIVE EQUIPMENTS (PPE)**

We are the suppliers of Personal Protective Equipments (PPEs) which are protective gears designed to safeguard the health of workers by minimizing the exposure to a biological agent, Infection Prevention and to Control Novel Coronavirus (COVID-19). Personal Protective Equipment (PPE) includes all equipment (even those used to protect against adverse weather conditions) used to protect employees from health and safety risks they might encounter at work, including injuries to the lungs, head, eyes, ears and skin.

## Component of PPE

1. Safety Goggles
2. Face-shield
3. Face Mask
4. Hand Gloves
5. PPE Kit
6. Hand Sanitizers
7. COVID-19 Testing Kit
8. Infrared Thermometer
9. Hand Wash Liquid
10. Hand & Shoe Cover
11. Spray Pumps

Each component and rationale are available and ready to deliver across India.
